Dear President,

I would like to express my deepest condolences to the Egyptian football community for the tragic events that occurred at last night's match in Cairo between Zamalek and ENPPI.

My thoughts and sympathies are with the families of all those who have lost their lives yesterday evening. It is so sad that a game of football, which should be the scene of joy and positive emotions, should be overshadowed in this way.

We await the results of the investigation into this tragedy and are ready to provide the Egyptian Football Association with any support they may need in dealing with the aftermath of this event.

Yours sincerely,
