Appendix A

FIWC Seasonal Challenges

1. FIFA may operate one or a series of so-called “seasonal challenges” in connection with the FIWC15. In the event that FIFA does operate such “seasonal challenge(s)”, then the following provisions shall apply. Players entering in the FIWC15 will automatically be entered into any such FIWC15 Seasonal Challenge Contest which FIFA chooses to operate (the “Contest”), and by doing so accept that they participate in the Contest in accordance with the provisions of this Appendix A of the Terms and Conditions (the "Provisions"), the Rules of the Contest (the "Rules"), any other materials relating to the Contest published on FIFA’s official website (the “Website”) including without limitation the list of the prizes, and/or any instructions by Fédération Internationale de Football Association (“FIFA”) e.g via any Contest newsletter. In the event of any conflict of the same, the Provisions shall prevail. The Contest is organised by the Fédération Internationale de Football Association (FIFA), FIFA-Strasse 20, P.O. Box, 8044 Zurich, Switzerland.

2. No purchase is necessary in order to participate in the Contest. Individual challenges will be set under the Contest and Rules with regard to each challenge will be provided. The Rules governing each individual challenge will be posted at FIFA.com/fiwc. For the avoidance of doubt these Provisions apply with regard to any and all such individual challenges for the Contest. The winner of the prize for the relevant challenge will then be drawn at random from all Players who successfully complete each individual challenge (or who provide an alternative method of entry as set out in this section 2 of Appendix A). Alternately, you may enter a given challenge of the Contest (i.e be included in the draw to choose the winner along with those Players who successfully completed the relevant challenge) by sending a post card with your name, address and e-mail address to: Gallafiz, attn. Miss Yasmin Saruji, Residenstrasse 27, 80333 Munich, Germany. The entry must be received by the 1st (day) of the month following the end date of relevant challenge.

3. FIFA shall not be taken to make any representations, express or implied, as to the lawfulness of any entrant’s participation, or as to any other aspect of the Contest. Notwithstanding the above, due to legal restrictions, prizes referred to for the Contest will only be attributed to Players with legal residence/domicile in the following territories: all countries (other than Poland, Italy, Norway, Sweden, Belgium) whose football national association is a member of FIFA (the “Territory”). In the event that entry into the Contest is not lawful in accordance with applicable laws, the provisions of this Appendix A shall not be applicable and no entry into the Contest shall be deemed to be made.

4. In the event a Minor wins a Contest prize, the Minor’s participation in the Contest has to be confirmed and the prize has to be accepted by his/her parent or legal guardian. FIFA has the right in its sole discretion to amend or not to allocate a Contest prize won by a Minor. In the event that a Contest prize which involves travel, attendance at an event and/or overnight accommodation is won by a Minor, he/she must be accompanied for the duration of the trip/event at all times by a parent/legal guardian. In this regard where the Contest prize only provides for travel, attendance and/or accommodation for one person, then all expenses for the accompanying parent/legal guardian shall be the responsibility of such person.

5. Players acknowledge that should they win a Contest prize of a trip to any FIFA event or competition, any and all ticketing/accreditation provisions applicable to such an event shall apply. Players (and their guest where applicable) are solely responsible for fully complying with such provisions and must meet at all times all criteria contained in such provisions or risk forfeiture of the Contest prize.

6. All expenses and costs which are not explicitly included in the prize list for the Contest which may be required in connection with any Contest prize are the sole responsibility of the relevant winning Player. These expenses may include (without limitation) insurance, visa charges and taxes, travel to and from any airport (where flights are included in a prize), spending money, meals, any hotel incidentals (where accommodation is included in a prize e.g. phone, laundry, mini bar). Where a Contest prize includes flights, these will be economy class and shall be from the winner’s nearest international airport to the nearest international airport for the relevant event. The winners (and where applicable also on behalf of any guest) waive any and all claims (if any) for relief (including restitution) against FIFA, its bodies, officers, agents, employees, volunteers, sponsors and any other entity or person acting on their behalf should the purpose of such ancillary expenses be or become in whole or in part frustrated for any reason whatsoever (e.g., an
event for which a Contest prize winner won a trip cannot, for whatever reason, be carried out as scheduled or winners are prohibited from attending a specific event (football match, for whatever reason). The winner is responsible for arranging all necessary travel visas for himself (and where applicable his/her guest). Insurance is the winner’s own responsibility (with regard to both themselves and any guest), in this regard where a Contest prize involves travel, winners must ensure that they (and where applicable their guest) have appropriate travel insurance cover for the duration of their trip. FIFA reserves the right to require the winner of any such Contest prize and their guest to sign an additional waiver to these Provisions prior to awarding any prize.

7. All winners of the Contest will be notified by e-mail. In the event that FIFA is not able to contact the winner by email (i.e. the winner does not respond to the email within seven (7) days of FIFA sending the relevant email to the winner), FIFA shall be entitled to select an alternative Player. Please refer to the Rules of the Contest for further information on winners’ criteria. No interest will be paid on any prize. Prizes may not be transferred without the prior written consent of FIFA. Players cannot request a cash alternative or substitution of the prize. FIFA, at its sole discretion, reserves the right to substitute a prize of greater or equal value in particular if any prize cannot be awarded as described due to unavailability.

8. Any prizes pictured in Contest materials are for illustration purposes only. Actual prizes may vary from any pictured prize. FIFA reserves the right to make, at its sole discretion, changes to the list of prizes.

9. By participating in the Contest you agree that FIFA, its bodies, officers, agents, employees, volunteers, sponsors and any other entity or person acting on their behalf have (to the fullest extent permissible by law) no liability whatsoever for any injuries, deaths, losses, or damages of any kind resulting from participation in this Contest or from acceptance, possession, or use of any prize. Players acknowledge and agree that FIFA, unless explicitly agreed otherwise, does not make, nor is in any manner responsible for any warranty, representations, guarantees, expressed or implied, in fact or in law, relative to the quality, conditions, fitness, or merchantability of any aspects of the prizes. By participating in the Contest, each Player, to the fullest extent permitted by law, waives any and all claims and their right to present any legal claim or lawsuit against FIFA and to the fullest extent permissible by law, unconditionally indemnifies and holds harmless FIFA from any liability arising out of or in relation to any and all losses and/or damages of any kind to the Players or prize winners themselves or any other person or property which (directly or indirectly) result from or are in any way connected to (i) the participation of the Players in the Contest, (ii) the participation of the winners in an event in connection with the Contest resulting from the prize, (iii) any incidents occurring during or in connection with such a prize-related event, and (iv) any act or omission of any agent or auxiliary person of the Players/winners, regardless of how any injury or death, loss or damage may have occurred, through negligence or otherwise. For purposes of the above waiver, release of liability and indemnification, the term “FIFA” includes FIFA, its bodies, officers, agents, employees, volunteers, sponsors and any other entity or person acting on their behalf.

10. Application in the Contest constitutes permission for FIFA and any third party authorised by FIFA to use the names and image of Player at its sole discretion including for publicity purposes. By participating in the Contest, each Player explicitly agrees to the use of his/her name and image, if this is required by FIFA. Upon request, a Player shall submit to FIFA a photo for publication and/or publicity purposes.

11. Any and all rights in relation to the Contest are the sole and exclusive property of FIFA. No information or data may be reproduced in any format or used in any way without the prior written consent of FIFA. FIFA shall be entitled to withhold consent at its sole discretion.

12. FIFA reserves the right to introduce new facilities to enhance the Contest. Details of such introductions will be published on the Contest website and will amend or vary these Provisions and take effect from the date upon which such details are published on the Website.

13. With regard to the Contest, FIFA may, at its sole discretion, suspend a participant, disqualify any application or vary, amend or waive the Rules and/or the Provisions at any time or cancel the Contest at any time in the event of circumstances arising beyond FIFA’s control or which make it desirable to do so. The Players agree that no liability shall attach to FIFA as a result thereof and that the exercise of such discretion shall not result in any compensation being payable or paid to any Player or other person.
In connection with the Contest, FIFA is not responsible for any problems or technical malfunction of any telephone network or lines, computer on-line systems, servers, or providers, computer equipment, software failure of any e-mail or entry to be received on account of technical problems or traffic congestion on the Internet, telephone lines or at any web site, or any combination thereof, including without limitation any injury or damage to a Player's or any other person's computer or mobile device related to or resulting from participation or downloading any materials in relation to the Contest. By participating in the Contest, you agree that no claim relating to any such (or any other) loss, damage or injury (including without limitation special, indirect or consequential losses) shall be asserted against FIFA, its parent companies, sponsors, affiliates, directors, officers, employees or agents.

FIFA's decision in connection with any aspect of the Contest shall be final and binding and enforceable.

Winners for the Contest will be selected in accordance with the method stipulated in the Rules from Players which comply with these Provisions.

FIFA reserves the right to take any decision in relation to any matter whatsoever in connection with the Contest. No correspondence shall be entered into with any Player. Each Player warrants to fully comply with and to adhere to any decision taken by FIFA.

Participation in the Contest does not create a contractual relationship with FIFA.
